Mr. Salvatore M. Cucciarre, Owner
Just Digital !!!
4011 East Freemont Avenue
Bronx, NY 10465

Dear Mr. Cucciarre:

I would like to take a moment to express my gratitude for all your help over the past eight years. Your expertise and excellent service have aided me immensely in the continued growth and smooth operation of my design business.

As you recall, my first purchase was a Canon 850SE. We soon outgrew that machine and you helped by recommending a Solus IV. As before, we outgrew that and you recommended the KIP 3000. In my opinion this is an excellent product. It appears that it will fulfill my needs for the foreseeable future. I am completely satisfied with the machine, and would highly recommend it to anyone in the business. Your support in installing the plotter, and all the software have helped immensely.

Your professionalism and services have kept us up and running over these past years. You have always responded immediately to all our needs and we have not experienced any down time.

I would like to give you, Sal Cucciarre, and all your excellent staff at **Just Digital !!!** Kudos for a job well done. I look forward to a continued and profitable collaboration with you.

Sincerely,

Michael Calvi,
President
