Just Digital has been servicing our Kip mode 2900 digital copiers for the past 15 years. Mr. Salvatore Cucciarre and his team have demonstrated, time and time again, not only their thorough understanding of our Kip copiers, but also a level of promptness, professionalism, and courteousness, which is rarely found in today industry. Their superlative equipment longevity, and most importantly Just Digital has given my staff and me a peace of mind when it comes to our copier's services.
